Important Information

All Central Youth Football families are required to participate in fundraising and volunteer activities, which help support program operations and provide the best possible experience for our players. Bond checks are collected only to ensure fulfillment of these requirements, and our goal is not to cash them. At the end of the season, Bond checks will be returned/destroyed if all volunteer and fundraising obligations are complete. Families who have not fulfilled the required obligations will be notified prior to Bond checks being deposited. We sincerely appreciate the support, involvement, and commitment of our families throughout the season.
